THE ARTS

Anyone Can Draw! Level I

This is an introductory class for anyone who wants to begin to visually communicate or improve basic sketching skills. Knowing how to draw is like knowing how to write your name, and this knowledge gives you a broad means of communicating your ideas without restriction. As they say, "A picture is worth a thousand words." Once drawing is learned, anything that the mind can picture can be drawn.

Drawing is easy once the Seven Elements of Drawing have been taught. It is easier to learn than reading and writing. Once you see for yourself, you will wonder why you hadn't tried this before!

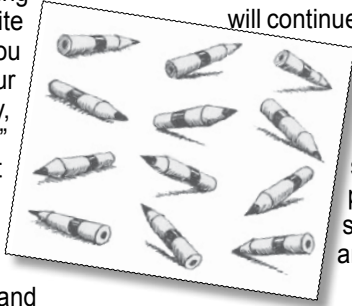

EXTRA FEES: \$20 Supply Fee (supply fee due at time of registration with tuition) and \$15 Textbook Fee (payable to instructor 1st day of class)
