Protect your Clients & Workers from Lead Poisoning

Attend

Lead Safety for Remodeling, Repair & Painting - EPA Certification Class

On

October 22, 2015

At

**Bureau of Emergency Services
112 Old Route 6
Carmel, NY 10512**

Effective April 22, 2010, workers performing renovation, repair and painting projects that disturb lead-based paint in homes, child care facilities, and schools built before 1978 must follow specific work practices to prevent lead contamination and must be certified. This federal EPA Renovation, Repair, and Painting (RRP) rule applies to contractors, painters, plumbers, carpenters, electricians, window replacers, roofers, and landlords. Dutchess BOCES Adult Learning Institute and Putnam County Health Department are pleased to offer this one Day EPA Certification class. Seating will be limited!

Class Time: 8:00AM – 5:00PM (Registration starts at 7:45AM)

Tuition: \$205.00

Instructor: Environmental Education Associates, Inc.

*** Registration:** Complete the attached registration form and submit by fax or e-mail to BOCES. Space is very limited, so save a spot early. Any questions call Robert Butler (845) 242-5482 or e-mail:

robert.butler@dcboces.Org

BOCES at (845)-483-3640 x 6101 **Fax** 845-483-3641.

BOCES website www.dcboces.org/adults/lead

All registrations must be paid in full one week prior to the class. Registrants will be contacted after the registration form has been received to arrange for class payment options. See attached for directions for Carmel course.

Remodeling, Repair & Painting Class

October 22, 2015 8am to 5 pm

Class held at Bureau of Emergency Services

TOPS Building, Donald B. Smith Campus

112 Old Route 6

Carmel, NY 10512

From South:

Route 684 North to Route 84 West. Take Exit 19 and turn right onto Route 312. Go 1.4 miles and make a right on Route 6. Go 1.0 mile and turn left at second traffic light onto Old Route 6. Go 100 feet and turn right into Donald B. Smith Government Campus. The Putnam County Emergency Services/TOPS building is located at the rear of the campus, end of parking lot.

From North:

Route 84 East to Exit 19. Turn right onto Route 312. Go 1.4 miles and make a right onto Route 6. Go 1.0 miles and turn left at second traffic light onto Old Route 6. Go 100 feet and turn right into Donald B. Smith Government Campus. The Emergency Services Building is located at the rear of the campus.

From West:

Bear Mountain Bridge to Route 9D North. Rte. 9D to Route 9 North. Get on Route 84 East (follow directions from North).

Or

Route 9 to 301 (to end in Carmel) - Make right (at traffic light) onto Route 6/52 - Make a left at the next light to continue following Route 6. Make right (second light) onto Old Route 6. Go 100 feet – Donald B. Smith Government Campus will be on your right. The PC Emergency Services Building is located at the rear of the campus.

*If you attend the course, when you receive your certification in the mail **please submit:** a copy of your RRP certificate, company name, a contact person, address, e-mail address if applicable, telephone number and your Putnam County Consumer Affairs Registration number. Your company's name will then be added to our list of companies that perform lead remediation work. This contractor list will be distributed whenever there is a lead-poisoned child and to the public upon request. You can e-mail the above information to:

lisa.seymour@putnamcountyny.gov

Fax (845) 278-7921 or Mail: Ms. Lisa Seymour

Putnam County Dept. of Health

1 Geneva Road

Brewster, NY 10509

Any questions the day of course TOPS building (845) 808-4000 or Lisa Seymour's cell (845) 656-8786.

Thank you
