INTRODUCTION

Pursuant to Section 3012-d of the New York Education Law, the APPR must be resolved in all collective bargaining agreements applicable to teachers entered into after July 1, 2010. The APPR Language as so negotiated will be, upon completion, attached to and part of the contract as an MOU. This attachment will not cause a re-opening of negotiations about any other part of the contract.

Education Law 3012-d requires that all classroom teachers and building principals will be evaluated under the terms of this agreement for 2016-2017 school year.

The parties agree to review the plan next year for modifications in the 2017 - 2018 school year.
TRAINING OF EVALUATORS

Lead Evaluator training will be provided by the Dutchess BOCES Network Team certified trainers and will be based on the NYSED model for certification. The training process will include the NYSED required nine elements of training.

Dutchess BOCES will ensure that Lead Evaluators and Evaluators maintain inter-rater reliability over time and that they are re-certified on an annual basis.

This training will include the following Requirements for Lead Evaluators/Evaluators:

- New York State Teaching Standards and ISSLC Standards
- Evidence-based observation
- Application and use of Student Growth Percentile and Value Added Growth Model data
- Application and use of the State-approved teacher or principal rubrics
- Application and use of any assessment tools used to evaluate teachers and principals
- Application and use of State-approved locally selected measures of student achievement
- Use of Statewide Instructional Reporting System
- Scoring methodology used to evaluate teachers and principals
- Specific considerations in evaluating teachers and principals of ELLS and students with disabilities. Lead Evaluator: The Superintendent and his/her designees will be trained and certified as lead evaluators according to the NYSED’s model to ensure consistency and defensibility. Responsibilities: Lead Evaluators will train and certify other evaluators in the BOCES based on the same model.

Timing

All lead evaluators and evaluators shall be appropriately trained in evidenced based observation techniques prior to completing any summative evaluations. In addition, all evaluators shall be appropriately trained and certified in accordance with training as promulgated by the State Education Department.

Re-Certification and Updated Training

The BOCES will work to ensure that lead evaluators maintain inter-rater reliability over time and that they are re-certified on an annual basis and receive updated training on any changes in the law, regulations, or applicable collective bargaining agreements.
DATA MANAGEMENT

The BOCES will work with the NYSED to develop a process that aligns its data systems to ensure that the NYSED receives timely and accurate teacher, course and student “linkage” data, as well as a process for teacher and principal verification of the courses and/or student rosters assigned to them.

Ensuring Accurate Teacher and Student Data

The BOCES shall ensure that the NYSED receives accurate teacher and student data, including enrollment and attendance data and any other student, teacher, school, course and teacher/student linkage data necessary to comply with the Regulations of the Board of Regents and Commissioner of Education by providing such data in a format and timeline prescribed by the Commissioner.

The BOCES student data system records now identify teacher assignments and student enrollment and attendance. The BOCES will verify assignments of classroom teachers.

Verification: The BOCES student data system identifies teacher assignments and student enrollment and attendance. The BOCES has obtained the NYSED statewide unique identifier for certain certified individuals employed by the BOCES through “TEACH”. This information has or will be entered into the BOCES data system and will be extracted from the BOCES system and reported to SIRS in accordance with NYSED guidance. The BOCES will verify assignments of classroom teachers of common branch subjects, ELA and Mathematics Grades 4-8 through quarterly grade report verifications by both teachers and administrators.

Reporting Individual Subcomponent Scores: The BOCES will report to the NYSED the individual subcomponent scores and the total composite effectiveness score for each classroom teacher and building principal in the BOCES in a format and timeline prescribed by the Commissioner. The BOCES will develop a process for timely and accurate extraction of such data and will use SIRS data reporting extracts protocols for reporting these data to NYSED. Total Composite Effectiveness Scores will not be reported until data on student achievement on state assessments is transmitted to the BOCES.

Development, Security and Scoring of Assessments: The BOCES shall ensure the development, security and scoring processes of all assessments and/or measures used to evaluate teachers and principals under this section are not disseminated to students before administration and that teachers and principals do not have a vested interest in the outcome of the assessments they score.
ANNUAL PROFESSIONAL PERFORMANCE REVIEW - SCHOOL YEAR

TEACHERS

This APPR Plan will apply to all classroom teachers covered by Education Law §3012-d.

Annual Professional Performance Criteria (SEE APPENDIX)

1. Original Required Student Performance Subcomponent (Teachers)

2. Transition Student Performance - Required (Teachers)

   The Danielson Framework for Teaching (2007 Edition) has been negotiated as the rubric to be used to inform the APPR composite score.

   Each Domain within the Framework is weighted equally. In order to calculate the rubric score, each indicator (within each element) is averaged providing an "Element" score. Each element is then averaged in order to compute a "Domain" score. Finally, the "Domain" scores are averaged in order to determine an overall rubric score.
PRINCIPALS

This APPR Plan will apply to all Building Principals.

Annual Professional Performance Criteria (SEE APPENDIX)

1. Original Required Student Performance Subcomponent (Principals)

2. Transition Student Performance - Required (Principals)

3. Other Measures of Principal Effectiveness—Multi-dimensional Principal Performance Rubric (MPPR).

  Dutchess BOCES has chosen the Multidimensional Principal Practice Rubric (MPPR) as the Principal Practice Rubric.

  Each Domain within the rubric is weighted equally. In order to calculate the rubric score each element will be averaged to determine a "Domain" score. All of the "Domain" scores will be averaged to determine an overall rubric score.
TEACHER IMPROVEMENT PLAN

Upon rating a teacher as ineffective or developing, an improvement plan must be developed and commenced no later than ten (10) school days after the first day of the school year for teachers. The evaluator, in conjunction with the teacher and BFA representative (if requested), must develop an improvement plan that contains:

1. A clear delineation of the areas in need of improvement that resulted in the ineffective or developing assessment.

2. Specific improvement goal/outcome statements.

3. Differentiated activities (where applicable) to support improvement.

4. A timeline for achieving improvement.

5. Resources to achieve goal.

6. A formative evaluation process documenting meetings strategically scheduled throughout the year to assess progress. These meetings shall occur at least twice during the year: the first by December 15 and the second by March 15. A written summary of feedback on progress will be provided within seven days of each meeting. Written comments by the teacher must be received no later than ten (10) school days after receipt of the document.

7. A final written summative assessment delineating progress made with an opportunity for comments by the teacher.

APPENDIX
NOTICE OF THE RIGHT OF PARENTS AND LEGAL GUARDIANS TO RECEIVE ANNUAL PROFESSIONAL PERFORMANCE REVIEW FINAL QUALITY RATINGS & COMPOSITE EFFECTIVENESS SCORES PURSUANT TO EDUCATION LAW § 3012-d

Education Law Section 3012-d prohibits the disclosure of annual professional performance reviews of individual teachers and principals under the Freedom of Information Law (Article 6 of the Public Officers Law).

While this information is not subject to disclosure to the general public, parents and legal guardians of students in the District have rights, upon request, to review and receive the final quality rating (i.e. Highly Effective, Effective, Developing or Ineffective) and composite APPR effectiveness score (0 through 100) of individual teachers and principals to which their children have been assigned for the current school year.

Parents and legal guardians may review and receive this information in person.

Upon request a parent or legal guardian shall be entitled to receive an oral explanation of the composite effectiveness scoring ranges for final quality ratings; and be offered opportunities to understand such scores in the context of teacher evaluation and student performance.

The BOCES has a legal obligation to make reasonable efforts to verify that any such request is a bona fide request by a parent or guardian entitled to review and receive such data pursuant to this paragraph. Consequently, we have created a form to be utilized when a parent or legal guardian requests information regarding their child’s current teacher(s) and building principal. A separate form must be filled out for each score requested.

1. It is important for BOCES parents to understand that this is the first year of a new, untested evaluation system and will not change the current practices for assigning students to teachers.
2. We hold our teachers to high standards and are very proud of the work they do each and every day.
3. No APPR composite scores or ratings will be provided until all appeals are completed.
4. The BOCES obligation to disclose this information is limited to those teachers and building principals subject to Education Law 3012-d.

This Form is available on the BOCES website at: www.dcboces.org.

In addition, this Form is available at the following building: Dutchess BOCES Administration Building 5 BOCES Road Poughkeepsie, NY 12601
