RE: **Cooperative Transportation Bid #2021-08 Ext. #4**

I recommend the extension of the bid award to **First Student (Mat Bus Corp.) of Haverstraw, NY** for the **Cooperative Transportation Bid #2021-08 Ext. #4** for 2024-25 regular school year transportation.

This extension covers the period of July 1, 2024 through June 30, 2025. The Transportation Bid can be extended indefinitely at an increase not to exceed the yearly Consumer Price Index (CPI). At the desire of our participating districts, we have requested that all buses be equipped with cameras. First Student has obliged with an additional fee of \$7.25 per day/per bus increase. First Student provides student transportation for our districts to and from various schools and is supported by our Cooperative Transportation Coser, 624.

Re: Transportation Contract Extention

Dear Mr. Metzger,

I, Vincent Marzella, Regional Director for First Student (MAT Bus Corp.) would like to accept the extention of contract for 24-25 school year. As requested, we can install cameras on the whole Boces fleet for \$7.25 per day/per bus increase. This add should be calculated after the annual CPI increase.

Feel free to reach me if you require additional information.

Best Regards,

Vincent Marzella
