

# This just in.....

## **Adult Learning Institute**

is pleased to announce

### **Welding Level II Course (TR-02A) offered.....**

**Join Mr. Amthor, Welding Instructor, as he utilizes his many years of experience to assist you from beginning to end.**

**This is a continuation of Level I and open to any student that has completed Level I.**

**You will:**

- work with advanced stick welding techniques**
- learn to mig weld along with learning the process of design and layout to produce a finished product**
- use mig welding technique to assemble projects.**

**Students should bring their safety supplies from the Winter/Spring 2013 semester. Former students may need to purchase these items. A fixed amount of material is covered by the supply fee charged. Usage of these supplies will be monitored by Mr. Amthor. Material and stock above this set amount for large projects will be your responsibility to purchase and arrange delivery. The supply fee will cover steel, rod, gasses and expendable supplies. + Extra Fee: \$ 485.**

**Course #: TR-02A**

**Tuition: \$ 415. +**

**Sessions: 10 (30 Hrs)**

**03/11/13 – 04/10/13**

**Days: M & W**

**6:00 pm – 9:00 pm**

**Location: Career & Technical Institute, 5 BOCES Rd., Poughkeepsie, NY 12601**
